# How to Start Using the Evelyn Mobile App

accuhealth.

Step 1

Search **"Evelyn Mobile"** in your mobile phone's app store.

Once you download it, click **"Sign Up"** and enter your information to get started. Close the app and look out for a reset password message in the email you provided during registration.

Evelyn — Sign Up

* Street number/name, City, State, Zip
land Blvd. Suite 100, Scottdale, AZ 8524

* Name of your doctor
Jennifer D. Conolly

* Name of your clinic
All Care Family Medicine

* Were you referred to Accuhealth by your Doctor?
☑ Yes   ☐ No

Privacy policy   Terms of Use

In the email, click the **"Reset password"** link.

Create and confirm your personal password. For added security, use a mix of letters, numbers, and special characters. Then press the **"Sign In"** button.
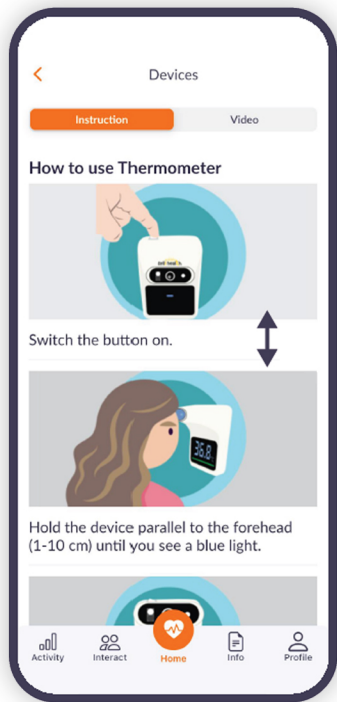

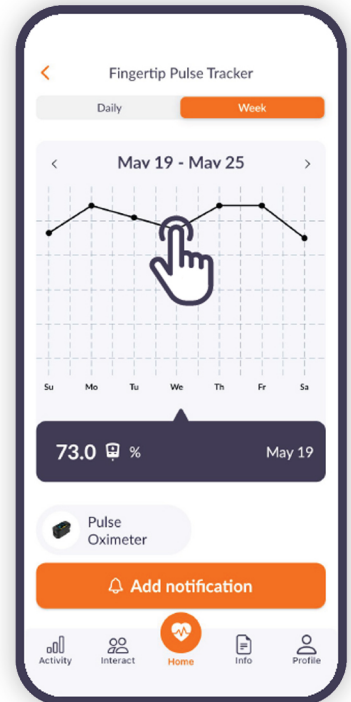

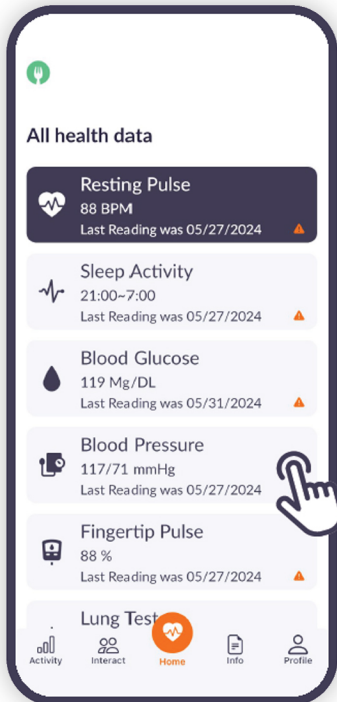

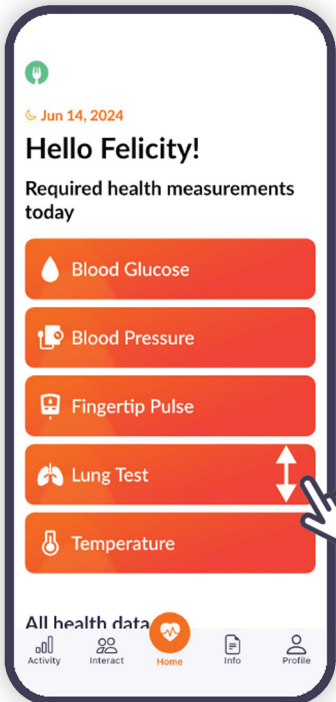

Step 3

On the main screen, **click on the measurement** you want to take, and it will open device usage instructions . You should be able to view the instructions manual directly within the app.

☀ Jun 14, 2024

Hello Felicity!

Required health measurements today

🩸 Blood Glucose

🩺 Blood Pressure

👆 Fingertip Pulse

🫁 Lung Test
